

DEMOCRATS UNITE!

TO TAKE BACK OUR PARTY

If you are one of those many American voters feeling disenfranchised, disheartened, and disrespected by the Democratic Party and the mainstream media, you will find a home with P.U.M.A. PAC. P.U.M.A. has several goals aimed at illuminating the concerns of those nearly 18 million Senator Hillary Clinton supporters, and even those who are not supporters, about the direction being taken by the Democratic Party elites. Our central mission is re-claiming the Democratic Party and its worthy principles of inclusion, anti-discrimination, diversity, and most importantly – count every vote.

We are motivated to action by our shared belief that the current leadership of the Democratic National Committee has abrogated its responsibility to represent the interests of ALL Democrats in all 50 of these United States. They are misleading our party and aim to mislead our country into nominating an illegitimate candidate for president in 2008.

To make a stand by becoming active in our rapidly growing grassroots movement, or to just become more informed about our concerns, goals, and activities, please visit P.U.M.A. People United Means Action Political Action Committee today at:
